

Frankford Township has received the Radon Awareness Program Grant which allows us to offer Free Radon Test Kits to our residents. Test kits will be available at the Municipal Building on a first come, first served basis beginning on January 3, 2020. For more information contact the Deputy Clerk at 973-948-5566.

Protect Your Family from Radon

Radon is a gas that you can't **see**, **smell**, or **taste** — but it can be dangerous. It's the second leading cause of lung cancer in the U.S.

Radon is in the ground naturally, but sometimes it gets into homes through cracks in the floors or walls.

homes have high radon levels

Radon and Smoking: A Dangerous Combination

If you live in a home with high radon levels, smoking raises your risk of lung cancer by **10 times**.

+

= **10x**
the risk of lung cancer

Take the First Step

There's good news — you can protect your family by testing your home for radon.
