Motion: Szatkiewicz

Second: Sharrock/All In Favor

-Reports

-Finance: Preste - \$36,402.44

-Park Maintenance:

a. A. Pagano presented to the Board:

-Since not drilling well he looked into options for Field 2 & 9 – called fertilizer guy and it was suggested to do Multi-Flow Drainage (Hampton Twp. has used with success). Materials \$1200 for one side of field, Frankford Town Workers labor approx. \$2500-\$3000

-Irrigation project approved for Anthony to move forward with Wantage Excavating to get all prices for complete project to fix Field 1 & 6.

-Needs compost 45 yards - \$6500, Seeds, Clay for next year 2-3 tandem loads approx. \$1200 per load, and backpack blower approx. \$350-\$500

-Mulch will be needed for next year approx. – tabled until next year closer to Spring

Motion: Kennedy/All Requested items above except for mulch

Second: Szatkiewicz

b. A. Pagano mentioned port-a-john on field 9 isn't being used – K. Radler suggested possibly using at Municipal Building for t-ball

c. A. Pagano said there is no hand sanitizer in the port-a-johns but there is some still in the main bathrooms at the Park

d. A. Pagano said that Ricky Hardt will work thru September and early October for now.

e. A. Pagano said that the water fountain near concession stand was mangled as he found kids climbing on the Pavilion by using bleachers-table fixing or repairing until the Spring.

-Rental Houses: Sharrock

1. 166 Gunn –
2. 167 Gunn –UV System has been installed
3. 30 Golf –

*Possibly cleaning all boilers in the rental homes for approx. \$800 for all 3 houses up to \$1000 (1 Gas/2 Oil)

*Ken will look into any other possible repairs that are needed to be addressed before winter.

Motion: Kennedy
