***SECTION: §16-2.1 Restriction against Placement of snow, Ice, Leaves, or Other Materials upon the Municipal Streets within the Township.***

IN ORDER TO KEEP OUR ROADS SAFE DURING INCLEMENT WEATHER THERE IS A TOWNSHIP ORDINANCE THAT HAS BEEN IN EFFECT SINCE 1994, PROHIBITING THE PLACEMENT OF SNOW, ICE, LEAVES OR OTHER MATERIALS UPON THE MUNICIPAL STREETS OF THE TOWNSHIP OF FRANKFORD.

In an effort to keep the roadways safe you are being reminded that the snow from your property should not make its way to the Township Roadways. Please make every effort to keep your snow on your property.

Your cooperation in this matter is greatly appreciated for your safety and the safety of others traveling our roadways.

Thank you,
